### Compassion in Big Ways and Small

As a volunteer, your level of commitment is up to you. Partners help fill the following roles:

- Hospital greeters
- Hospital gift shop staff
- Patient and family wayfinding escort
- Coffee server
- Fundraising chairs and coordinators

### Fundraising

Help support the hospital and community health financially.

An important function of the Volunteer Partners of Spooner Health is our fundraising efforts. In the past, the Partners have raised money for needed equipment, scholarships, furnishing the infusion room, funding the History Wall, and so much more.

Gift shop proceeds, volunteer contributions, and various fundraisers provide the financial assistance necessary to make these things possible. Events throughout the year include our Pie and Ice Cream Social, bake sales, silent auction, book sales, Thrifty Fashion Show, and Lovelight Tree.

We welcome volunteers interested in chairing or assisting with any of our events.

### Volunteer Partners in the Community, Outreach beyond the hospital

Thanks to our fundraising efforts and commitment to community health, we have the opportunity to extend beyond the hospital's walls in these ways and more:

- Purchasing rodeo tickets for the nursing home
- Providing and serving lunch to Red Cross Bloodmobile workers
- Scholarships for students going into health-related fields
- Providing toothbrushes and toothpaste to local food pantries and Alban's House
